THE BOILERS ACT, 1923

An Act to consolidate and amend the law relating to steam boilers.
WHEREAS it is expedient to consolidate and amend the law relating to steam boilers; It is hereby enacted as follows -

1. Short title, extent and commencement

- (1) This Act may be called the Boilers Act, 1923
- (2) It extends to the whole of India (except the State of Jammu and Kashmir).
- (3) It shall come into force on such date as the Central Government may, by notification in the official Gazette, appoint.

2. Definitions

In this Act, unless there is anything repugnant in the subject or context, –

(a) “accident” means an explosion of boiler, or boiler component, which is calculated to weaken the strength or an uncontrolled release of water or steam therefrom, liable to cause death or injury to any person or damage to any property,)

(aa) “Board” means the Central Boilers Board constituted under section 27A,

(b) “boiler” means a pressure vessel in which steam is generated for use external to itself by application of heat which is wholly or partly under pressure when steam is shut off but does not include a pressure vessel,-

- (i) with capacity less than 25 liters (such capacity being measured from the feed check vale to the main steam stop valve);
- (ii) with less than one kilogram per centimeter square design gauge pressure and working gauge pressure, or
- (iii) In which water is heated below one hundred degrees centigrade;

(ba) “boiler component” means steam piping, feed piping, economizer, super heater, any mounting or other fitting and any other external or internal part of a boiler which is subject to pressure exceeding one kilogram per centimeter square gauge;

(c) “Chief Inspector”, “Dy. Chief Inspector” and “Inspector” mean, respectively a person appointed to be a Chief Inspector, a Dy. Chief Inspector and a Inspector under this Act,-)

(ca) “Competent Authority” means an institution recognized in such manner as may be prescribed by regulations for issue of certificate to the welders for welding of boiler and boiler components;

(cb) “Competent Person” means a person recognized in such manner as may be prescribed by regulations for inspection and certification of boilers and boiler components during manufacture, erection and use ;

(cc) “economizer” means any part of a feed-pipe that is wholly or partially exposed to the action of flue gases for the purpose of recovery of waste heat;

(ccc) “feed-pipe” means any pipe or connected fitting wholly or partly under pressure through which feed water passes directly to a boiler and which does not form an integral part thereof ;

(ccd) “Inspecting Authority” means an institution recognized in such manner as may be prescribed by regulations for the inspection and certification of boilers

THE BOILERS ACT, 1923

and boiler components during manufacture. All Chief Inspector of Boilers shall be ipso facto Inspecting Authorities.

- (cce) "Manufacture" means manufacture, construction and fabrication of boiler or boiler component or both;
- (ccf) "Manufacturer" means a person engaged in the manufacture;
- (d) "owner" (includes any person possessing or) using a boiler as agent of the owner thereof and any person using a boiler which he has hired or obtained on loan from the owner thereof;
- (e) "prescribed" means prescribed by regulations or rules made under this Act;
- (f) "Steam-pipe" means any pipe through which steam passes if-
 - (i) the pressure at which steam passes through such pipe exceeds 3.5 kilogram per square centimeters above atmospheric pressure; or
 - (ii) such pipe exceeds 254 millimetres in internal diameter and the pressure of steam exceeds 1 kilogram per square centimeters above the atmospheric pressure, and includes in either case any connected fitting of a steam-pipe.
- (g) "Structural alteration, addition or renewal" means,-
 - (i) any change in the design of a boiler or boiler component;
 - (ii) replacement of any part of boiler or boiler component by a part which does not conform to the same specification; or
 - (iii) any addition to any part of a boiler or boiler component;
- (h) "Super heater" means any equipment which is partly or wholly exposed to flue gases for the purpose of raising the temperature of steam beyond the saturation temperature at that pressure and includes a re-heater;
- (i) "Technical Adviser" means the Technical Adviser appointed under sub-section (1) of section 4A).

2A. Application of Act to feed pipes.

Every reference in this Act (except where the word "steam-pipe" is used in clause (f) of section 2) to a steam pipe or steam-pipes shall be deemed to include also a reference to a feed-pipe or feed pipes, respectively.

2B. Application of Act to economisers

Every reference in this Act to a boiler or boilers (except in clause (ccc) of section 2, shall be deemed to include also a reference to an economizer or economizers, respectively.

3. Limitation of application

Nothing in this Act shall apply to -

- (a) locomotive boilers belonging to or under the control of the railways ;
- (b) any boiler or boiler component,-
 - i) in any vessel propelled wholly or in part by the agency of steam;
 - ii) belonging to , or under the control of the Army, Navy or Air Force ; or

THE BOILERS ACT, 1923

- iii) appertaining to a sterilizer disinfector used in hospitals or nursing homes, if the boiler does not exceed one hundred liters in capacity.)

4. Power to limit extent

The [State Government] May, by notification in the Official Gazette, exclude any specified area from the operation of all or any specified provisions of this Act.

4A. Technical Adviser

- (1) The Central Government shall appoint a Technical Adviser from amongst the persons having such qualifications and experience as may be prescribed by rules.
- (2) The terms and conditions of service of the Technical Adviser shall be such as may be prescribed by the Central Government.
- (3) The Technical Adviser shall, in addition to exercising the powers and discharging the functions assigned to him under this Act or rules or regulations made there under, exercise such other powers and discharge such functions as the Central Government and the Board may delegate to him.

4B. Welders Certificate

- (1) Any person who proposes to undertake any welding work connected with or related to a boiler, or a boiler component or both shall apply to a Competent Authority for issue of a Welders certificate.
- (2) On receipt of an application under sub-section (1), the Competent Authority shall follow such procedure for examination and grant of Welders certificate as may be prescribed by regulations.
- (3) The Competent Authority may, if satisfied that the person applying for Welders certificate under sub-section (2) has complied with the conditions precedent for issue of the Welders certificate, issue such certificate, to such person subject to the payment of such fee and such other conditions as may be prescribed by regulations;

Provided that the Competent Authority shall not refuse Welders certificate to any person unless such person is given an opportunity of being heard.

4C. Conditions precedent for manufacture of boiler and boiler Component

- (1) No person shall manufacture or cause to be manufactured any boiler or boiler component, or both unless -

THE BOILERS ACT, 1923

- (a) he has provided in the premises or precincts wherein such boiler or boiler component, or both are manufactured, such facilities for design and construction as may be prescribed by regulations;
- (b) the design and drawings of the boiler and boiler component have been approved by the Inspecting Authority under clause (a) of sub-section (2) of section 4D ;
- (c) the materials , mounting and fittings used in the construction of such boiler or boiler component, or both conform to the specifications prescribed by regulations; and
- (d) The persons engaged for welding boiler or boiler component hold Welders certificate issued by a Competent Authority.

4D. Inspection during manufacture

- (1) Every manufacturer, before commencing manufacture of a boiler or boiler component, shall engage an Inspecting Authority for carrying out inspection at such stages of manufacture as may be prescribed by regulations.
- (2) The Inspecting Authority engaged under sub-section (1) shall follow such procedure for inspection and certification of boiler or boiler component as may be prescribed by regulations and after inspection , if it is -
 - (a) satisfied that the boiler or the boiler component conforms to the standards prescribed by regulations, it shall issue a certificate of inspection and stamp the boiler , or boiler component, or both , or
 - (b) of the opinion that the boiler, or boiler component, or both does not conform to the standards prescribed by regulations, it may for reasons to be recorded in writing refuse to issue such certificate;

Provided that no certificate shall be refused unless the Inspecting Authority had directed the manufacturer of the boiler or boiler component, or both in writing to carry out such modifications or rectifications as it deems necessary and the Inspecting Authority is of the opinion that inspite of such direction the manufacturer of the boiler or boiler component, or both did not carry out the direction.

- (3) The Inspecting Authority may, for the purposes of inspection under this section, charge such fee as may be prescribed by regulations.

4E. Inspection during erection.

- (1) The owner, who proposes to register a boiler under section 7, shall engage an Inspecting Authority for carrying out inspection at the stage of erection of the boiler.
- (2) The Inspecting Authority shall follow such procedure for inspection and certification of a boiler or boiler component, or both as may be prescribed by regulations and after inspection if it is -
 - (a) satisfied that the erection of the boiler is in accordance with the regulations, it shall issue a certificate of inspection in such form as may be prescribed by regulations; or
 - (b) of the opinion that the boiler has not been erected in accordance with the regulations, it may for reasons to be recorded in writing refuse to grant the

THE BOILERS ACT, 1923

certificate and shall communicate such refusal to the manufacturer of the boiler component forthwith;

Provided that no such certificate shall be refused unless the Inspecting Authority had directed the owner in writing to carry out such modifications or rectifications as it deems necessary and the Inspecting Authority is of the opinion that in spite of such direction the owner did not carry out the direction.

- (3) The Inspecting Authority may, for the purposes of inspection under this section, charge such fee as may be prescribed by regulations.

4F. Conditions precedent for repairing boiler and boiler component.

No person shall repair or cause to be repaired any boiler or boiler component or both, unless -

- (a) he has provided in the premises or precincts, where in such boiler component or both are being used, such facilities for repairs as may be prescribed by regulations;
- (b) the design and drawings of the boiler or boiler component, as the case may be, and the materials, mountings and fittings used in the repair of such boiler or boiler component conform to the regulations;
- (c) persons engaged in welding, holds a Welders certificate issued by a Competent Authority;
- (d) every user who does not have the in-house facilities for repair of boiler or boiler component shall engage a Boiler Repairer possessing a Boiler Repairer certificate for repair of a boiler or boiler component or both, as the case may be;
- (e) every user shall engage a Competent Person for approval of repairs to be carried out in house or by the repairs.

5. Chief Inspector, Dy. Chief Inspectors and Inspectors

- (1) The State Government may appoint such persons as it thinks fit to be Inspector for the State for the purposes of this Act, and may define the local limits within which each Inspector shall exercise the powers and perform the duties conferred and imposed on Inspectors by or under this Act.
- (2) The State Government may appoint such persons as it thinks fit to be Dy. Chief Inspector for the State and may define the local limits within which each Dy. Chief Inspector shall exercise his powers and perform his duties under this Act.
- (3) Every Dy. Chief Inspector may exercise the powers and perform the duties conferred and imposed on Inspectors by or under this Act and, in addition thereto may exercise such powers or perform such duties conferred or imposed on the Chief Inspector by or under this Act, as the State Government may assign to him.
- (4) The State Government shall appoint a person to be Chief Inspector for the State who may, in addition to the powers and duties conferred and imposed on the Chief Inspector by or under this Act, exercise any power

THE BOILERS ACT, 1923

or perform any duty so conferred or imposed on Dy. Chief Inspectors or Inspectors.

- (4A) No person shall be appointed as the Chief Inspector, Dy. Chief Inspector or Inspector unless he possesses such qualifications and experience as may be prescribed by the Central Government.
- (5) Subject to the provisions of this Act, the Dy. Chief Inspectors and Inspectors shall exercise the powers and perform the duties conferred and imposed on them by or under this Act under the general superintendence and control of the Chief Inspector.
- (6) The Chief Inspector, Dy. Chief Inspectors and Inspectors may offer such advice as they think fit to owners regarding the proper maintenance and safe working of boilers.
- (7) The Chief Inspector and all Dy. Chief Inspectors and Inspectors shall be deemed to be public servants within the meaning of section 21 of the Indian Penal Code (45 of 1860.)

6. Prohibition of use of unregistered or uncertified boiler.

Save as otherwise expressly provided in this Act, no owner of boiler shall use the boiler or permit it to be used -

- (a) Unless it has been registered in accordance with the provisions of this Act;
- (b) In the case of any boiler which has been transferred from one State to another, until the transfer has been reported in the prescribed manner;
- (c) Unless a certificate or provisional order authorizing the use of the boiler is for the time being in force under this Act;
- (d) at a pressure higher than the maximum pressure recorded in such certificate or provisional order;
- (e) Where the [Central Government] has made rules requiring that boiler shall be in charge of persons holding [certificates of proficiency or competency], unless the boiler is in charge of a person holding the certificate required by such rules;

Provided that any boiler registered, or any boiler certified or licensed, under any Act hereby repealed shall be deemed to have been registered or certified, as the case may be, under this Act,

7. Registration.

- (1) The owner of any boiler which is not registered under the provisions of this

THE BOILERS ACT, 1923

Act [may apply to the Inspector along with such other documents as may be prescribed by regulations to have the boiler registered.]. Every such application shall be accompanied by the prescribed fee.

(2) On receipt of an application under sub-section (1), the Inspector shall fix a date, within thirty days or such shorter period as may be prescribed from the date of the receipt, for the examination of the boiler and shall give the owner thereof not less ten days notice of the date so fixed.

(3) On the said date the Inspector shall inspect the boiler with a view to satisfying himself that the boiler has not suffered any damage during its transit from the place or manufacture to the site of erection and forward a report of the inspection along with the documents to the Chief Inspector within seven days.

(4) The Chief Inspector, on receipt of the report, may -

(a) register the boiler and assign a register number thereto either forthwith or after satisfying himself that any structural alteration, addition or renewal which he may deem necessary has been made in or to the boiler or any steam-pipe attached thereto, or

(b) Refuse to register the boiler;

Provided that where the Chief Inspector refuses to register a boiler, he shall forthwith communicate his refusal to the owner of the boiler together with the reasons there for.

(5) The Chief Inspector shall, on registering the boiler, order the issue to the owner of a certificate in the prescribed form authorizing the use of the boiler for a period not exceeding twelve months at a pressure not exceeding such maximum pressure as he thinks fit and as is in accordance with the regulations made under this Act.

[Provided that a certificate issued under this sub-section in respect of an Economizer [or of an unfired boiler which forms an integral part of a processing plant in which steam is generated solely by the use of oil, asphalt or bitumen as a heating medium] may authorize its use for a period not exceeding twenty four months.]

(6) The Inspector shall forthwith convey to the owner of the boiler the order of the Chief Inspector and shall be accordance therewith issue to the owner any Certificate of which the issue has been ordered, and, where the boiler has been registered, the owner shall within the prescribed period cause the register number to be permanently marked thereon in the prescribed manner.

8. Renewal of certificate.

(1) A certificate authorizing the use of a boiler shall cease to be in force -

THE BOILERS ACT, 1923

- (a) On the expiry of the period for which it was granted; or
- (b) When any accident occurs to the boiler; or
- (c) When the boiler is moved, the boiler not being a vertical boiler the Heating surface of which is less than [[20] square meters], or portable or vehicular boiler; or
- (d) Save as provided in section 12, when any structural alteration, addition Or renewal is made in or to the boiler; or]
- (e) if the Chief Inspector in any particular case so directs, when any structural alteration, addition or renewal is made in or to any steam-pipe attached to the boiler; or
- (f) On the communication to the owner of the boiler or an order of the Chief Inspector or Inspector prohibiting its use on the ground that [It or any boiler component] attached thereto is in a dangerous Condition.

(2) Where an order is made under clause (f) of sub-section (1), the grounds on which the order is made shall be communicated to the owner with the order.

(3) When a certificate ceases to be in force, the owner of the boiler may apply to the competent person for renewal thereof for such period as may be prescribed by regulations.

(4) On receipt of an application under sub-section (3), the Competent Person shall, within fifteen days from, the date of such receipt, inspect the boiler in such manner as may be prescribed by regulations.

(5) If the Competent Person is -

- (a) Satisfied that the boiler and the boiler components attached thereto are in good condition he shall issue a certificate for such period as may be prescribed by regulations, or
- (b) Of the opinion that the boiler or boiler component, or both does not conform to the standards prescribed by regulations; it may, for reasons to recorded in writing, refuse to issue such certificate.

Provided that no certificate shall be refused unless the Inspecting Authority had directed the owner of the boiler or the boiler competent, or both in writing to carry out such modifications or rectifications as it deems necessary and the Competent Person is of the opinion that inspite of such direction the owner of the boiler or boiler component, or both did not carry out the direction;

THE BOILERS ACT, 1923

Provided further that the Competent Person shall, within forty-eight hours of making the examination, inform the owner of the boiler or boiler component any defect in his opinion and the reasons there for and shall forthwith report the case to the Chief Inspector.

- (6) The Competent Person may for the purpose of inspection under this section charges such fee as may be prescribed by regulations.]
- (7) Nothing in this section shall be deemed to prevent an owner of a boiler from applying for a renewed certificate therefor at any time during the currency of a certificate.

9. Provisional orders.

Where the Inspector reports the case of any boiler to the Chief Inspector under sub-section (3) of section 7, he may, if the boiler is not a boiler the use of which has been prohibited under clause (f) of sub-section (1) of section 8, grant to the owner thereof a provisional order in writing permitting the boiler to be used at a pressure not exceeding such maximum pressure as he thinks fit and as is in accordance with the regulations made under this Act pending the receipt of the orders of the Chief Inspector. Such provisional order shall cease to be in force -

- (a) on the expiry of six months from the date on which it is granted, or
- (b) on receipt of the orders of the Chief Inspector, or
- (c) in any of the cases referred to in clauses (b), (c), (d) , (e) and (f) of sub-section (1) of section 8, and on so ceasing to be in force shall be surrendered to the Inspector.

10. Use of boiler pending grant of certificate.

- (1) Notwithstanding anything hereinbefore contained, when the period of a certificate relating to a boiler has expired, the owner shall, provided that he has applied before the expiry of that period for a renewal of the certificate , be entitled to use the boiler at the maximum pressure entered in the former certificate pending the issue of orders on the application.
- (2) Nothing in sub-section (1) shall be deemed to authorized the use of a boiler in any of the cases referred to in causes (b),(c), (d), (e) and (f) of sub-section (1) of section 8 occurring after the expiry of the period of the certificate.

11. Revocation of certificate or provisional order.

THE BOILERS ACT, 1923

The Chief Inspector may at any time withdraw or revoke any certificate or provisional order on the report of an Inspector or otherwise -

- (a) If there is reason to believe that the certificate or provisional order has been fraudulently obtained or has been granted erroneously or without sufficient examination; or
- (b) If the boiler in respect of which it has been granted has sustained injury or has ceased to be in good condition; or
- (c) where the [Central Government] has made rules requiring that boilers shall be in charge of persons holding [certificates of proficiency or competency], if the boiler is in charge of a person not holding the certificate required by such rules; or

12. Alterations and renewals of boilers.

No structural alteration, addition or renewal shall be made in or to any boiler registered under this Act unless such alteration, addition or renewal has been sanctioned in writing by the Chief Inspector;

[Provided that no such sanction is required where the structural alteration, addition or renewal is made under the supervision of a Competent Person.]

13. Alteration or renewal of boiler component.

- (1) Before the owner of any boiler registered under this Act makes any structural alteration, addition or renewal in or to any boiler component attached to the boiler, he shall transmit to the Chief Inspector a report in writing of his intention and send therewith such particulars of proposed alteration, addition or renewal as may be prescribed by regulations.
- (2) Any structural alteration, addition or renewal referred to in sub-section (1) shall be made by a person possessing a Boiler Repairer certificate under the supervision of the Competent Person.

14. Duty of owner at examination.

- (1) On any date fixed under this Act for the examination of a boiler, the owner thereof shall be bound -
 - (a) to afford to the [Competent Person] all reasonable facilities for the examination and all such information as may reasonably be required of him;
 - (b) to have the boiler properly prepared and ready for examination in the [manner prescribed by regulations]; and
 - (c) in the case of an application for the registration of a boiler, to provide such drawings, specifications, certificates and other particulars as may [be prescribed by regulations].

THE BOILERS ACT, 1923

- (2) If the owner fails, without reasonable cause to comply with the provisions of sub-section (1), the [Competent Person] shall refuse to make the examination and shall report the cause to the Chief Inspector who shall, unless sufficient cause to the contrary is shown, require the owner to file a fresh application under section 7 or section 8, as the case may be, and may forbid him to use the boiler notwithstanding anything contained in section 10.

15. Production of certificates, etc.

The owner of any boiler who holds a certificate or provisional order relating thereto shall, at all reasonable times during the period for which the certificate or order is in force be bound to produce the same when called upon to do so by a District Magistrate, Commissioner of Police or Magistrate of the first class having jurisdiction in the area in which the boiler is for the time being, or by the Chief Inspector or by a Inspector or by any Inspector appointed under [the Factories Act, 1948 (63 of 1948)], or by any person specially authorised in writing by a District Magistrate or Commissioner of Police.

16. Transfer of Certificate, etc.

If any person becomes the owner of a boiler during the period for which a certificate or provisional order relating thereto is in force, the preceding owner shall be bound to make over to him the certificate or provisional order.

17. Powers of entry.

An Inspector may, for the purpose of inspecting or examining a boiler or any steam-pipe attached thereto or of seeing that any provision of this Act or of any regulation or rule made hereunder has been or is being observed, at all reasonable times enter any place or building within the limits of the area for which he has been appointed in which he has reason to believe that a boiler is in use.

18. Report of accidents.

- (1) If any accident occurs to a boiler or [boiler component], the owner or person in charge thereof shall within twenty-four hours of the accident, report the same in writing to the Inspector. Every such report shall contain a true description of the nature of the accident and of the injury, if any, caused thereby to the boiler or to the [boiler component] or to any person, and shall be in sufficient detail to enable the Inspector to judge of the gravity of the accident.
- (2) Every person shall be bound to answer truly to the best of his knowledge and ability every question put to him in writing by the Inspector as to the cause, nature or extent of the accident.

THE BOILERS ACT, 1923

- (3) Without prejudice to the provisions of sub-section (1), where any death has resulted due to any accident, an inquiry may be conducted by such \ person and in such manner as may be prescribed by the Central Government.]

19. Appeals to Chief Inspector.

- (1) Any person considering himself aggrieved by, -
- (a) An order made or purporting to be made by an Inspector in the exercise of any power conferred by or under this Act, or
 - (b) a refusal of an Inspector to make any order or to issue any certificate which he is required or enabled by or under this Act to make or issue, may, within thirty days from the date on which such order or refusal is communicated to him appeal against the order or refusal to the Chief Inspector.
- (2) Every appeal under sub-section (1) shall be made in such manner as may be prescribed by the State Government.
- (3) The procedure for disposing of an appeal shall be such as may be prescribed by the State Government.

20. Appeals to appellate authority.

- (1) Any person considering himself aggrieved by an original or appellate order of the Chief Inspector. -
- (a) refusing to register a boiler or to grant or renew a certificate in respect of a boiler; or
 - (b) refusing to grant a certificate having validity for the full period applied for ; or
 - (c) refusing to grant a certificate authorising the use of a boiler at the maximum pressure desired; or
 - (d) withdrawing or revoking a certificate or provisional order; or
 - (e) reducing the amount of pressure specified in any certificate or the period for which such certificate has been granted; or
 - (f) ordering any structural alteration, addition or renewal to be made in or to a boiler or steam-pipe, or refusing sanction to the making of any structural alteration, addition or renewal in or to a boiler,

THE BOILERS ACT, 1923

may, within thirty days of the communication to him of such order, [prefer an appeal to the Central Government].

(2) Any person considering himself aggrieved by the refusal of an Inspecting Authority to grant a certificate of inspection of manufacture or erection, as the case may be, may be within thirty days from the date of communication of such refusal, prefer an appeal to the Central Government.

(3) Every appeal under sub-section (1) shall be made in such manner as may be prescribed by the Central Government.

(4) The procedure for disposing of an appeal shall be such as may be prescribed by the Central Government.

20A. Power of Central Government to revise order of appellate authority

(1) Any person considering himself aggrieved by an order of the appellate authority refusing under section 20 to interfere with an order not to register a boiler or not to grant or renew a certificate in respect thereof on the ground that the boiler does not conform to the regulations made under this Act may, within two months of the communication to him of such order, make an application to the Central Government for a revision of that order on the ground that such boilers are in use in other countries.

(2) Upon the receipt of such an application, the Central Government may, after calling for relevant records and other information from the appellate authority and considering the observations, if any, of that authority on the application and after obtaining such technical advice as the Central Government may consider necessary, pass such order in relation to the application, as the Central Government thinks fit; and where the revision is allowed, the order shall specify the terms and conditions on which any variations from the regulations made under this Act are to be dealt with during the examination of the boiler.

21. Finality of orders

an order of the Central Government under sections 20 and 20A], or of the Chief Inspector, or of a Dy. Chief Inspector, or of an Inspector, shall be final and shall not be called in question in any court.

22. Minor penalties

Any owner of a boiler who refuses or without reasonable excuse neglects -

(j) to surrender a provisional order as required by section 9, or

(ii) to produce a certificate or provisional order when duly called upon to do so Under section 15, or

THE BOILERS ACT, 1923

(iii) to make over to the new owner of a boiler a certificate or provisional order as required by section 16.

shall be punished with fine which may extend to [five thousand rupees].

23. Penalties for illegal use of boiler

Any owner of a boiler who, in any case in which a certificate or provisional order is required for the use of the boiler under this Act, uses the boiler either without any such certificate or order being in force or at a higher pressure than that allowed thereby, shall be punishable with fine which may extend to [one lakh rupees] , and, in the case of a continuing offence, with an additional fine which may extend to [one thousand rupees] for each day after the first day in regard to which he is convicted of having persisted in the offence.
