CIRCULAR No. 7

**Subject : To avoid physical touch and provide fast service of approval of plans,
under The Factories Act 1948, as per the reforms suggested by DIPP**

The Department of Industrial Policy and Promotion, Government of India has given suggestions for Ease of Doing Business for year 2017. As per one of the suggestion from DIPP, Directorate has decided to prepare a policy to avoid physical touch and provide fast service of approval of plans of the factories under The Factories Act, 1948.

In view of above, Directorate of Industrial Safety and Health advice factory managements as follows -

The applicant who are going to apply for approval / amendment in factory plans, needs to submit online application on department portal. Then he has to send 2 copies of plans along with required documents, through speed post or other courier service, providing article tracking system. The applicant is required to update details of the courier service in his login.

The applicant can track movement of such plans through the article tracking system of courier service provider. Henceforth, the applicant is not required to visit the office of this directorate in person, for submission of plans.
